

Prayer to St Joseph for our faith community

St Joseph, faithful guardian of Christ and the blessed Virgin, we ask for your intercession. We entrust to you the whole work of building up our parish community, for you are a builder and the protector of the Faith.

Pray to the Father that our parish be a worthy, glorious, and a beautiful home for your Son, where hearts may be raised to true worship in the celebration of the Eucharist.

Pray to the Son that all who come to this home will experience His Love and Mercy as they visit the Blessed Sacrament frequently and with great devotion.

Pray to the holy spirit, that all who enter will be bound in union by His Love and will be transformed in their lives, as they go out to serve in the world.

All for Jesus, through Mary, following your example, protect us Saint Joseph as we implore your powerful intercession. Amen.
